

# Summer Scout Camp

A trunk or footlocker to store gear is recommended. It keeps all the clothing and supplies in one place, and helps keep the tent more organized. You can usually find them in department stores like K-Mart, Target, or Wal-Mart for around \$40-\$45. The trunk should be no more than 13" high so it fits under the cot.

## General Items

Medical form (**REQUIRED** - give to Scoutmaster)

Prescription Medications in original containers (**REQUIRED TO BE GIVEN TO SCOUTMASTER**)

Knife (with Totin' Chip card other wise needs to be held by Scoutmaster until earned)
